Hi! Bobby Stern

Take time to pray. . . it helps to bring
God near and washes the dust of
earth from your eyes.
Take time for friends. . . it is the
source of happiness.
Take time for work. . . it is the price
of success.
Take time to think. . . it is the source
of power.
Take time to read. . . it is the found-
ation of knowledge.
Take time to laugh. . . it is the sing-
ing that helps with life's loads.
Take time to love. . . it is the one
sacrament of life.
Take time to dream. . . it hitches the
soul to the stars.
Take time to play. . . it is the secret
of youth.
Take time to worship. . . it is the
highway to reverence.

Shown are some of the Committee of 120 members seated in the newly decorated library. Other pictures depict the English classroom, the language lab, chair-desks in Mr. Morford's room, magnetic chalkboard in Mr. Priest's room, and chairs and carpet in the library.

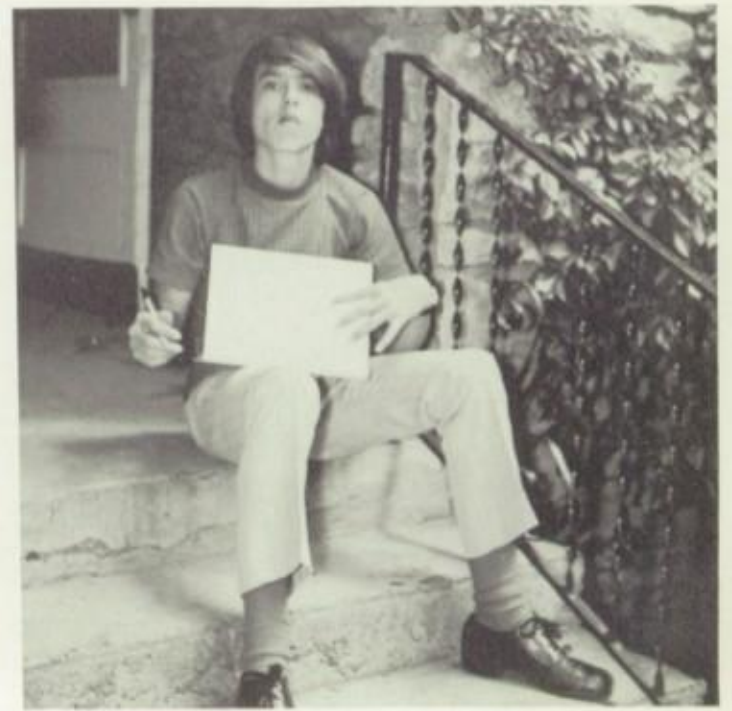

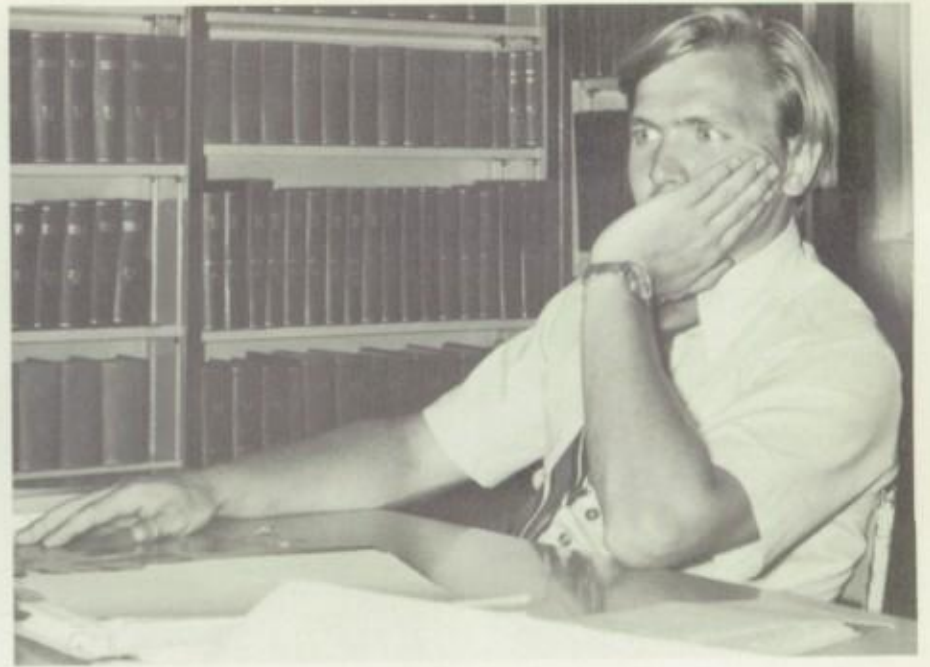

Madison Academy owes much to a dedicated group of parents, teachers, and friends in the Nashville area who donate as much as \$120 per year for special projects not covered through general operating funds. Because of them, classrooms have been carpeted, drapes furnished, new desks provided, a language lab put in operation, a magnetic chalkboard installed in the biology room, a sexless manikin purchased for the class in Anatomy and Physiology, a professional improvement center placed in the library for teachers, and a commercial vacuum cleaner bought. Plans call for still more improvements as contributions come in.

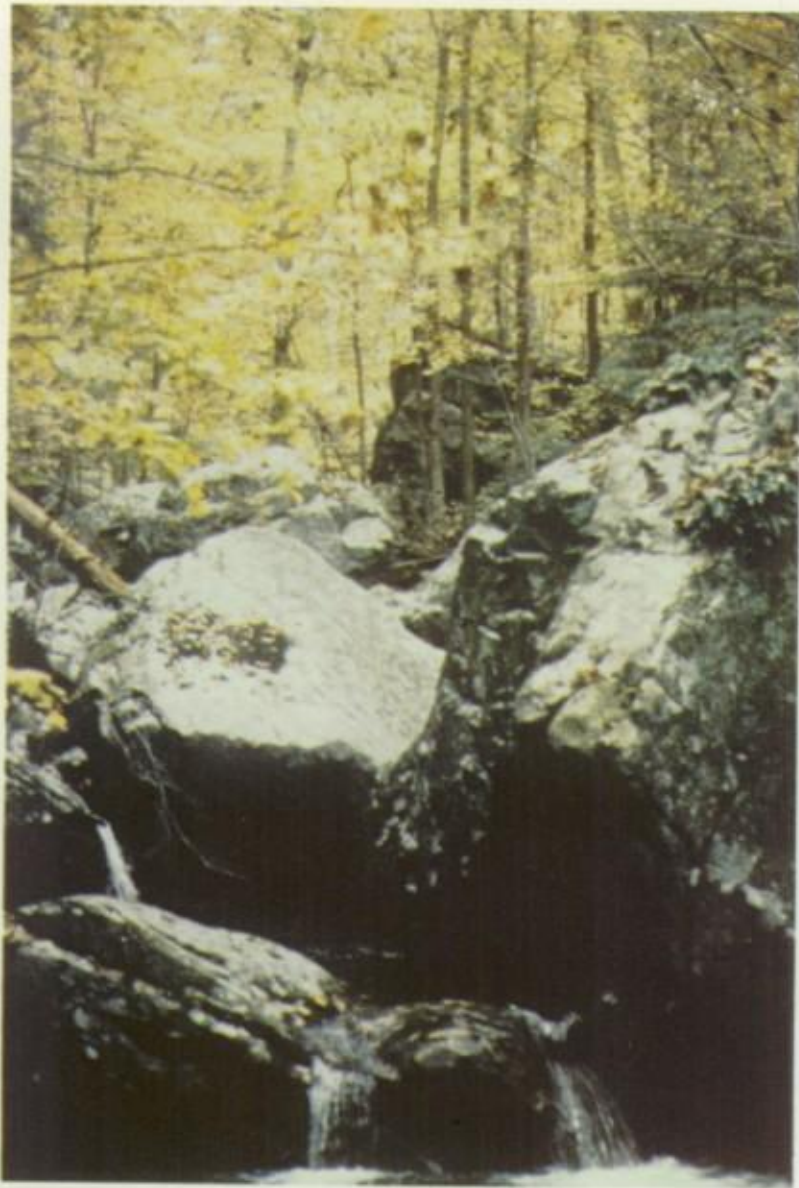

It is therefore with grateful thanks and deep appreciation that we dedicate this yearbook of 1972-73 to both the regular members and the associate members of

MADISON ACADEMY'S COMMITTEE OF 120

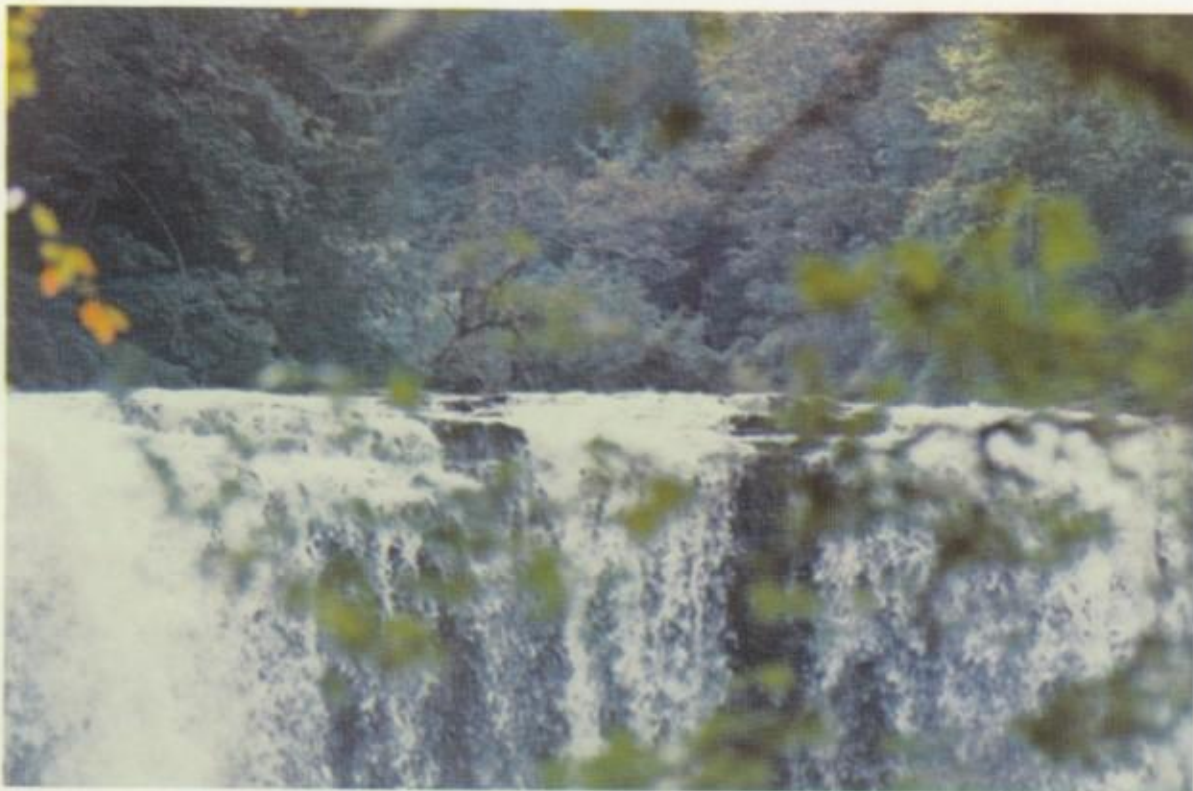

"To every thing there is a season,
and a time to every purpose under Heaven.

A time to be born, a time to die;

A time to tear,
A time to repair;

A time to be quiet, a time to speak up;

A time to plant, a time to harvest;

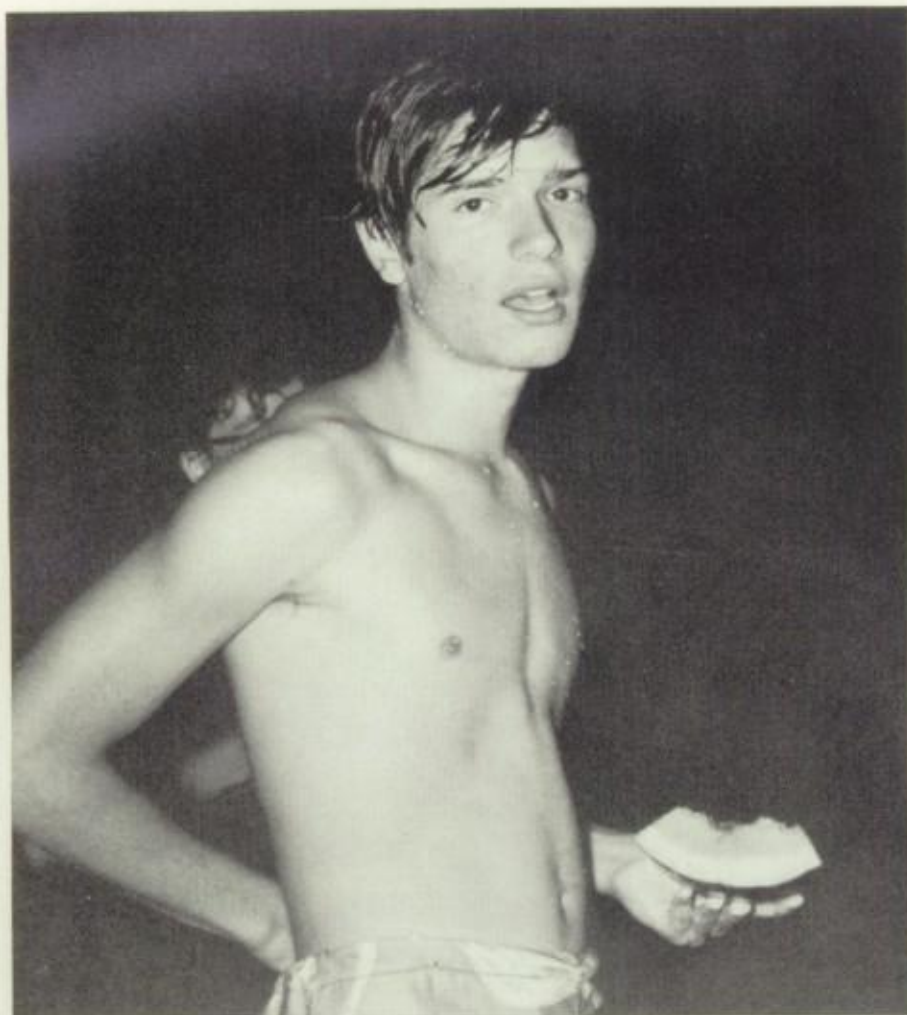

A time to laugh, a time to cry;

A time for loving,
a time for hating;

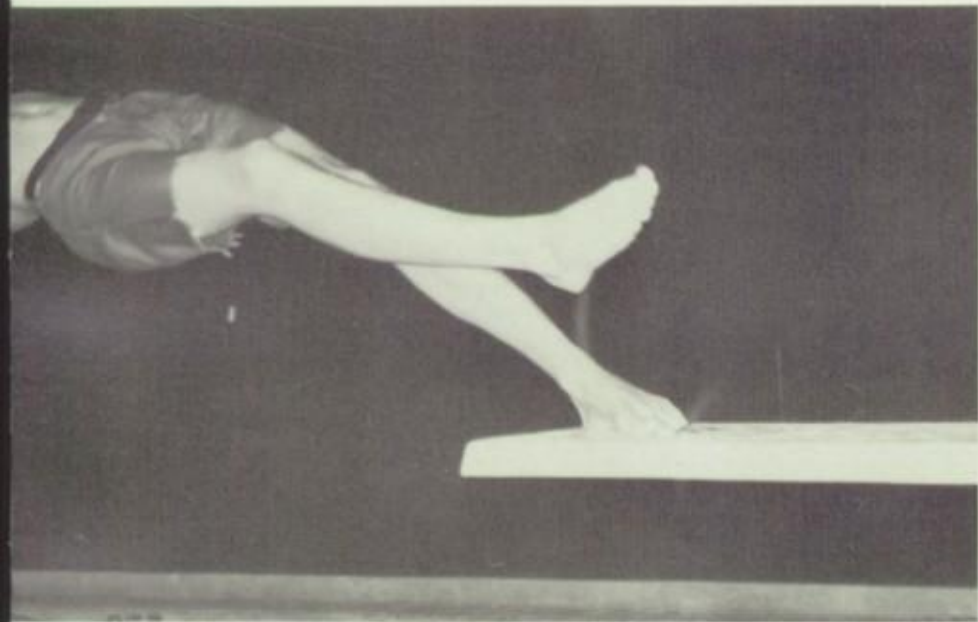

A time for war,
A time for peace."
Ecc. 3:1-8

Summer activities included parties. . . . and registration.

PRINCIPAL'S MESSAGE

God led you here
To learn of Him
So your life can be full.

He'll always lead
To a happier life
If you will let Him!

May you ever know
The happiness and power
In a life that is totally His.

Soon we'll all know Him better
And enjoy His pleasures forever--
In His eternal Home.

Union Bible Conference

Twenty Madison students were chosen to attend the Southern Union Bible Conference at Camp Cumby-Gay in Georgia. Transported by bus, they could hardly wait to get there. Exchange of ideas during discussion sessions, prayer for the outpouring of the Holy Spirit and the coming of the Lord, association with delegates from sister schools, enjoyment of nature, eating and sleeping, --all combined to keep everyone busy and make the days pass quickly.

Week of Prayer

Weeks of Prayer are part of student life, when classes are shortened a little, assignments are cut down, and extra emphasis is placed on the Word of God. These are planned for months in advance, and one is held in the fall and another in the spring. Student participation is encouraged through study groups, discussion sessions, song, and personal testimonies. The week is climaxed with a Friday night communion service. Elder Conn Arnold, youth leader of the Kentucky-Tennessee Conference, conducted the fall series, speaking at chapel time and in the evenings.

An informal discussion answers many questions.

American Temperance Society

Mr. Wagner, Tina Martin, and Smoking Sam leave for a visit to a nearby high school for a temperance demonstration.

Karen Wilmot gives an oration about alcohol.

Sharon Motschieder receives first place for her oration about drugs.

Elder Arnold presents cash awards to the oration winners.

Mr. Groger is the ATS sponsor.

Linda Adams, Debbie Pohle, and Pat Roberts are the poster winners.

Jingle winners, John Eberhart, Sharon Webster, and Robert Brock stand with the other Temperance participants.

Ingathering

"Into all the world" is the slogan for the gospel message, and the annual campaign for Ingathering funds is one way to help achieve it.

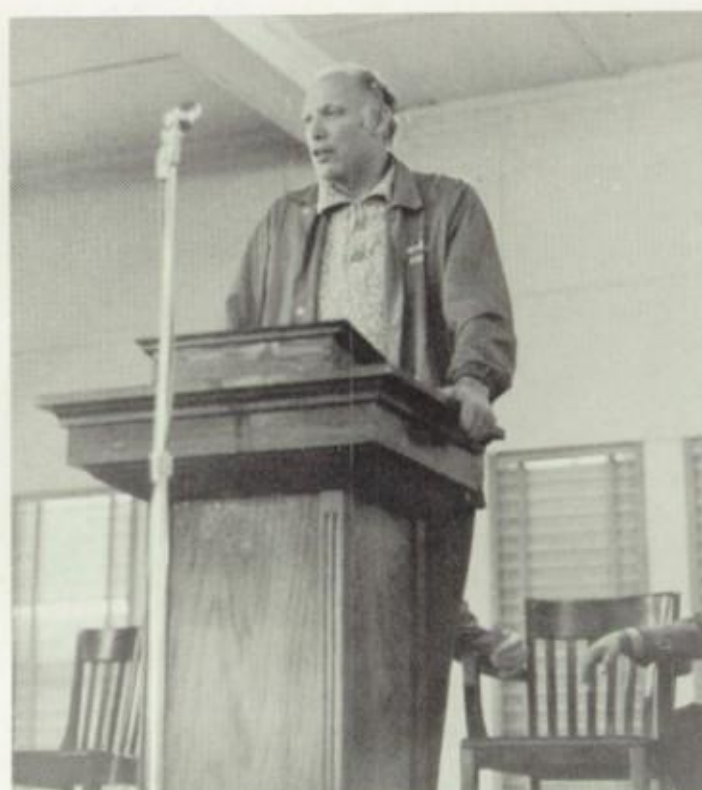

Each fall one day is set apart when the students go out to solicit all they can to advance the world-wide work of Seventh-day Adventists. Ministers of the area provide cars, and each group tries to contact as many people as possible, not just to ask for donation, but to give them literature as well. Enthusiasm runs high, and participation, while voluntary, is excellent, as evidenced by the total of \$4,000.

These girls were out the longest and brought in the most.

President K. D. Johnson promotes courage.

Elder Don Holand challenges the students.

Elder Abbott is eager to go.

Principal Wagner hands out the instructions.

Courtesy Banquet

The annual Courtesy Banquet was held November 19, 1972, with the theme "Camelot" for the evening. A castle backdrop and a menu of fruit salad, roast "turkey", chest-nut dressing, cranberry sauce, whipped potatoes, green peas with cream sauce, and hot fudge cake set the mood well.

Jay Leibacher and Kenny Porter hosted the program and after the king, queen, prince, and princesses were announced, all enjoyed the film, "The Yearling", in the chapel.

Clubs

MOMA CLUB

Under the leadership of Mrs. Gale Yost and Mrs. Jo Cadwallader, the MOMA (Mothers of Madison Academy) Club raises funds by various methods for special projects. The decorating and refurnishing of the new Bible room represents hours of involvement. A spaghetti dinner attracts students and faculty alike.

GERMAN CLUB

A weekend of association with German students at Southern Missionary College in class and Sabbath School, and an outing at a German restaurant, combine to a better understanding of the language.

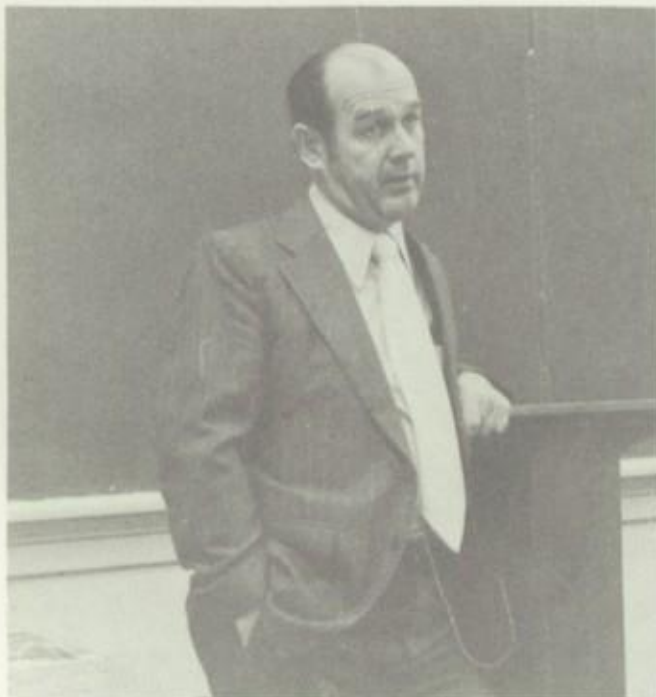

German Club Officers: Melvin Iseminger, Fund Raiser; Danny Burtnett, Vice-president; Marjory Kathka, Secretary; Kenny Hutchinson, President.

Wilderness Survival

Week-end campouts are both work and fun. Just ask any of those who are members of the Wilderness Survival group! They have to provide their own shelter; find and cut wood for the fire; cook their own meals (be sure to take enough provisions along); hike for miles (back packs get heavy); and expect to hear strange noises. Learning ways of survival in the great outdoors and studying God's wonderful book of nature more than compensate for any of the inconveniences.
